

TRAINING & EDUCATION PROVIDERS

The following education providers hold a GACA Provider Number for specific courses to guarantee acceptance toward Certification/ Recertification. Please contact the provider for training details and to verify courses with GACA Provider Numbers. Training advertised as "GACA approved" may not equate to having a GACA Provider Number. A NAADAC Provider Number does not meet criteria listed as "must have GACA Provider Number" (but can qualify under "other approved providers"). If you wish to become a GACA Approved Education Provider, please contact Sadie Bourgeois at 770-434-1000 or sadie@gaca.org for more information and an application.
